

CREATING A CLEANER, SAFER, HEALTHIER WORLD.

EQUIPMENT

V10 / V12 / V14

VERSATILE WET/DRY VACUUMS

- Increase productivity and reduce life-cycle costs with a 2-stage by-pass motor
- Easy to operate and maintain with effortless water disposal and large transport wheels
- Increase convenience and operator comfort with a variety of optional tools and vacuum tank sizes

COMPLETE WET/DRY VACUUM RANGE

The Tennant line of wet and dry vacuum cleaners provides a complete choice in tank capacity for every application.

The Tennant V10 (16L wet capacity) and V12 (25L wet capacity) are robust, high performing industrial vacuum cleaners that effectively removes water from all types of decorative and hard floor surfaces.

The V14 (48L wet capacity), is a multi-purpose industrial, trolley mounted vacuum cleaner designed for heavy duty cleaning of large floor areas. All models are available with a choice of tools that provide flexibility and optimal cleaning performance.

WIDE VARIETY OF USES

Tennant's range of wet/dry vacuums are ideal for virtually any environment including office buildings, warehouses and shopping centres, and noise sensitive environments such as healthcare and education facilities.
